PRODUCT DATA SHEET

SUPER CONCENTRATED FUEL INJECTOR CLEANER

CHAMPION Super-Concentrated Fuel Injector Cleaner delivers cutting-edge fuel dispersant technology to your fuel. When used with every tank, Champion Super-Concentrated Fuel Injector Cleaner cleans port fuel injectors, intake valves and can help to minimize combustion chamber deposits. This exceptional dispersant is carried in a blend of proprietary synthetic carrier fluid and highly refined solvent which further improve combustion and cleanliness of your fuel system.

- Cleans port fuel injectors
- Oxygen sensor safe
- Safe for catalytic converters
- Cleans intake valves
- Provides corrosion protection
- Cleans carburetors

For best results use Champion Super-Concentrated Fuel Injector Cleaner with every tank. One bottle treats up to 21 gallons.

PART# 4275

Available in:

4275K - 12 Oz.

TYPICAL PROPERTIES:

PRODUCT CODE:	4275
MELTING POINT	-26°C
INITIAL BOILING POINT	149°C
FLASH POINT	37°C
EVAPORATION RATE	0.25
VAPOR DENSITY	5
DENSITY	0.8 mg/cu cm @ 15.6°C
VISCOSITY	1 mm/s ² @ 40°C
AUTO-IGNITION POINT	282°C
